

PEDAL TOUR TEXAS

PARTY BIKE MANUFACTURER'S

PROPOSAL

BACKGROUND: Pedal Tour Texas is an active pedal pub business in Fredericksburg, Texas and by way of chance, we now also manufacture custom party bikes. As a party bike manufacturer, we help you start a party bike business. We can also assist with your website, logo and marketing as part of the package. Our party bikes for sale are being made in Texas! What do we manufacture? Party bikes are also commonly known as a pedibus, trolley pub, beer pedal, pub bike, pub cycle, pub crawler, cycle tavern, pedal tavern, beer bike, or bier bike. We build your custom party bike with quality and cost effectiveness in mind. From conception to delivery, we work with you to build the pedal pub of your desires.

PARTY BIKE SPECIFICATIONS: Our Party Bikes are manufactured in the USA. The frame and mechanics of our bike, motor and other bells and whistles (stereo, lights, lights, safety features) are completed in the great state of Texas!

PASSENGER CAPACITY: 14 people (plus driver)

SIZE: 17 feet long, 8 feet high and 7 feet wide.
